(d) whether job opportunities for those who complete the training have been given priority while finalising the partnership; and
(e) if so, the details thereof ?

Answer

(a) to (e) The Airports Authority of India (AAI), National Skill Development Fund (NSDF) and National Skill Development Corporation (NSDC) have signed a Memorandum of Understanding (MoU) on 08.06.2016 for imparting skills training to the youth in the country. Under the Memorandum of Understanding (MoU), AAI shall provide fund of Rs.525 lakhs for a period of three years starting from the year 2016-17 to the NSDF for Setting up of Skill Development Centres based on the progress of the project. The NSDC would manage and implement the Projects. AAI shall also extend its infrastructural facilities at different airports for the purpose of setting up of skill training centers subject to availability. One of the outcomes of the training will be focus on placement from successfully certified candidates. AAI would also encourage certification under recognition of prior learning (RPL) for manpower engaged by AAI itself or through its contractors.
